- Video Demo:

Functions & Use Cases

- Creating an account
- Creating a task
- Creating a category
- Edit a task
- Edit a category
- Delete a task
- Delete a category
- View Profile

Steps to Finish this project

- Missed Tasks in a new section.
- Create Kaban style layout on manage tasks for upcoming, in progress, and complete. (Make this an optional view)
- Consider logo redesign
- Consider Nav bar redesign
- Finish logic for time required (If it takes longer than an hour then show it taking up more space than an hour).
